About Us

Enterprise Paper was founded in 1973 as a small Canadian family-operated business. The focus of the company has not changed since its inception; quality products at competitive pricing and superior service. Service is an important part of a successful business and customers rely on service and with this, comes loyalty and a partnership that is important to all of us.

Responsible leadership and operational excellence are hallmarks of Enterprise Paper. We are strongly entrepreneurial in character, and we know that our success depends on anticipating customers' needs and delivering meaningful, high-quality solutions. Our company has experienced astonishing growth over the last decade and we now have four locations in Western Canada. We thank our many customers for this success. We have grown through innovative products and services that make a difference for our customers. The support of our many vendors has also made this possible.

We believe that attracting, developing and retaining a base of employees that reflects the diversity of our customers is essential to our success. Our people and values are our greatest assets. Personal values drive them to make a difference for you, our valued customers.

We are here for many reasons, but success for everyone is our goal.
